Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Wednesday 21 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Widespread overnight frost. Sunny start Thursday but cloud increasing.

This Evening and Tonight:
Dry and clear for much of the evening and overnight, perhaps more in the way of cloud developing over the Hebrides by dawn. With light winds a widespread slight frost is expected to develop. Minimum temperature -1 deg C (30 deg F).

Thursday:
Mainly dry and settled with bright or sunny spells, although cloud is expected to increase, especially across the north, for the afternoon. Feeling warm in the sunshine with light winds. Maximum temperature 14 deg C (57 deg F).

Outlook for Friday to Sunday:
Largely dry and settled conditions, with warm sunshine at times, continuing through Friday and the weekend, just a few afternoon showers possible across the hills over the weekend. Light winds.
